i am writing to enthusiastically endorse the services of Estate Sale Solutions of Florida, which is owned and operated by Elizabeth (Betsy) and Rich Chmilarski. They organized and operated my estate sale, which liquidated the treasures and belongings accumulated by my deceased wife and I over 46 years of marriage. Needless to say the sale was GIGANTIC and a resoundingly complete success thanks to their expertise and efforts on my behalf.

Betsy and Rich Chmilarski are experienced, hard working, moral, ethical, honest and straight forward people that you will enjoy working with. They are knowledgeable and professional people who will quickly earn your trust and admiration. They certainly exceeded my expectations...they made a job that seemed impossibly overwhelming to me look like a breeze ! I was especially impressed with the EBAY Store, which exposes your offerings to a worldwide audience before, during and sometimes after your sale dates...this maximizes your sales opportunities.

It is my pleasure to enthusiastically endorse the estate sale and liquidation services of Estate Sale Solutions of Florida. Betsy and Rich did a SUPER job for me just like they will for you.

Sincerely,

Frederick C. Wolfe
